We would like to invite you to join our [Pennies from Heaven](#) charity scheme so that we can continue to raise funds for UK charities each year.

The scheme works by donating the pennies from your monthly salary – the most you will contribute is 99p a month! – to the chosen charities. **Plus, the Company is committed to matching your monthly contribution!**

The chosen charities for the 2024/2025 year are [Dementia UK](#) and [Diabetes UK](#) and 100% of your pennies are donated.

[Dementia UK](#) is the specialist dementia nursing charity that is there for the whole family, working towards a day where no one has to face dementia alone.

[Diabetes UK](#)'s vision is a world where diabetes can do no harm. They campaign for better care, give support in times of need and fund ground breaking research into new treatments and a cure.

All you have to do is sign up (below) and let us do the rest! You can choose to opt out of the scheme at any time, just let us know.

I am pleased to confirm that I wish to participate in the Pennies from Heaven scheme and hereby authorise Service Graphics Ltd as my agent to collect each pay period from my salary any such odd penny balances (maximum 99p per pay period) and to distribute such amounts to Diabetes UK and Dementia UK. This authorisation is effective from the date I submit this form and shall remain in force until cancelled in writing. If I am a UK tax payer, I give my consent for Gift Aid to be reclaimed on my donations (this boosts your donation by 25% and costs you nothing) and agree for my employer to provide Pennies from Heaven and the charities my name and address for this purpose only. I understand that if I pay less Income Tax and/or Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on all my donations, it is my responsibility to pay any difference.
