EXPERIENCE

CREATIVE DIGITAL MARKETING SPECIALIST

Service Graphics. - Full time

Apr 2025 - Present

In a more creative role, I lead digital campaigns with a strong focus on design, visual content, email marketing, social media, and brand storytelling. I'm heavily involved in graphic work, including brochures and creative assets, ensuring consistent and impactful visuals across all channels, while aligning with broader marketing goals and strategy, and deepening my expertise in the field. I also manage and maintain the company website, handling light HTML/CSS updates alongside the design and content work.

DIGITAL MARKETING EXECUTIVE

Service Graphics. - Full time

Feb 2024 - Apr 2025

Digital Strategy Development: Developing and implementing digital marketing strategies aligned with business goals. - **Content Creation and Management:** Crafting compelling content for digital platforms, including social media, email campaigns, and websites. - **Social Media Management:** Cultivating and expanding social media presence, fostering engagement, and enhancing brand awareness. - **Email Marketing:** Strategising and executing targeted email campaigns for effective communication and lead generation. - **Design Excellence:** Creating visually appealing designs for marketing materials whilst maintaining brand consistency. - **Analytics and Reporting:** Utilising analytics tools to measure and analyse the performance of digital marketing campaigns. - **Paid Advertising:** Developing and optimising paid advertising campaigns to maximise ROI. - **Collaboration:** Working closely with cross-functional teams to align with overall business goals.

DIGITAL MARKETING EXECUTIVE

County Broadband. - Full time

Oct 2022 - Dec 2023

Collaborate closely with the Digital Marketing Manager and Director of Marketing and Communications to implement campaigns, enhance lead generation, and boost brand awareness. Create compelling copy for omnichannel marketing, partnering with third-party agencies for creative production and strategy implementation. Stay updated on marketing trends, craft email campaigns for lead generation, and manage content distribution across social media platforms. Drive website traffic, monitor and respond to social media interactions, and contribute to digital element planning and optimization. Produce engaging content using tools like Adobe, provide analytics reports for performance improvement, and take charge of day-to-day social media marketing. Facilitate seamless coordination with internal departments, engage followers with regular updates, and support content strategies. Report positive feedback and actively contribute to competitions and campaigns on platforms like Facebook, Instagram, LinkedIn, X, TikTok, and YouTube.

SENIOR MARKETING EXECUTIVE

Spiran Ltd. - Freelance

Feb 2022 - Jan 2023

Marketing strategist experienced in retail/FMCG industry. Proficient in: social media management, WordPress updates, brand awareness campaigns, Mailchimp newsletters, basic design (brochures, invoices), magazine founder and editor, spreadsheet management, market research, budgeting, marketplace platform management, influencer collaboration, client relationship management, sales, customer service.

MARKETING EXECUTIVE

MPM drive - Full time

Oct 2021 - Oct 2022

Developing marketing strategies, managing website and social media, crafting content for UK editorial media, nurturing client relationships, overseeing interns, organising events, designing brochures, conducting market research, aiding in budgeting.

MARKETING ASSISTANT

La di da Sweet Treats - Full time

Aug 2021 - Oct 2021

Order and shipping management, resolution of customer and collaborator inquiries, administration of in-house social platforms, management of marketplace platforms, creation and management of campaigns, creation of social media content, and analysis of analytics, along with email marketing and basic SEO.
